III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care center administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center's records, including staff records and children's records. Staff records include background checks and training information. Children's records include child information cards, physical examination dates, and immunizations.

During the on-site inspection, I observed dinner, free play, and outdoor play. Caregiver interactions with children were positive and nurturing. Required records were organized and readily available.

Technical Assistance and Consultation were provided on the following:

- I provided guidance on R 400.8131(5)
- I provided guidance on R 400.8112

The facility is in compliance with all applicable rules and statutes.

IV. RECOMMENDATION

I recommend issuance of a regular license.
