Dear Ms. Pertile:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 03/03/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at [Click or tap here to enter phone number](#).

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

*Observations*

*At the time of the inspection, four of the five classrooms were in session. Each classroom was engaged in either a developmentally appropriate small group activity or developmentally appropriate free play.*

Sincerely,
