III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care center administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center's records, including staff records and children's records. Staff records include background checks and training information. Children's records include child information cards, physical examination dates, and immunizations.

Observations

The children were engaged in developmentally appropriate free play.

Consultation was provided in regards to the changing pad in the infant/toddler room at the time of the inspection. At the time of this report, a new pad had been ordered.

IV. RECOMMENDATION

I recommend renewal of this child care license.
