RE: License #: DC280020250
Kingsley Preschool Program
311 Clark Street
Kingsley, MI 49649

Dear Ms. Goethals:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 04/13/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

When I arrived onsite for my inspection, I was able to observe all the children outdoors with the child care staff members. They were maintaining ratio and appropriate supervision. They transitioned into their classrooms, some classes participated in yoga and others read stories. The child care staff members helped the children transition to nap time and rubbed some of their backs while they fell asleep. There were no safety hazards observed.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
