RE: License #: DC280388911  
**Bayview Child Care Center and Preschool**  
**720 Wayne Street**  
**Traverse City, MI 49684**

Dear Ms. Lafreniere:

This letter is to advise you that the 03/16/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

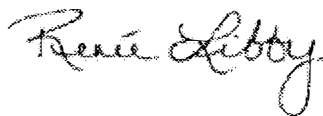

<b>Violation cited</b>	<b>Noncompliance observed</b>	<b>Plan to correct</b>	<b>Date to be completed</b>
R 400.8152(4) Medication; administrative procedures.	One child's prescription medication did not have the pharmacy label indicating the physician's name, child's first and last name, instructions, name, and strength of the medication.	Program director Ms. Carly LaFreniere will obtain a pharmacy label from the parent for prescription medication.	By 03/25/2022
R 400.8152(5) Medication; administrative procedures.	One child's epi-pen expired in October of 2021. No other epi-pen was available for the child.	Program director Ms. LaFreniere will obtain a new, non-expired epi-pen for the child.	By 03/25/2022

R 400.8335(8)(b) Food services and nutrition; provided by center.	Child care staff members did not ensure milk was served within 7 days of opening.	Staff members threw the milk away and will always make sure milk is discarded after 7 days from opening.	Immediately on 03/16/2022 and ongoing
R 400.8340(3) Food services and nutrition; provided by parents.	One toddler's bottle was not labeled with his/her name and date.	Program director Ms. Carly LaFreniere will retrain all staff to ensure they always check for children's first and last names and the date on all milk brought from home.	Training done by 03/25/2022 and ongoing
R 400.8530(4) Hazard Areas.	Doors to heat plant rooms did not meet the rule for fire separation.	Program director Ms. Carly LaFreniere will ensure that all fire safety non-compliances are addressed and corrected including adding proper fire-rated doors for fire separation to heat plant rooms. An "A" fire rating will be obtained as soon as possible after doors are installed.	By 06/30/2022

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (231) 922-5309.

Sincerely,
