Dear Ms. Peron:

This letter is to advise you that the 01/31/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

<b>Violation cited</b>	<b>Noncompliance observed</b>	<b>Plan to correct</b>	<b>Date to be completed</b>
R 400.8152(4) Medication; administrative procedures.	Prescription eye drops for a child in the infant room did not have the pharmacy label attached to the medication.	Program Director Ms. Kathleen Peron will work with the classroom teacher to return the medication to the parents or have them bring in a pharmacy label.	By the child's next day in attendance
R 400.8173(6) Equipment.	The toddler and developmental preschool rooms did not have a minimum of 2 playspaces were accessible per child in attendance during child-initiated activity time.	The Program Director will work with staff to ensure a minimum of 2 play spaces are available to children during child-initiated activity time.	By 02/3/2023 and ongoing

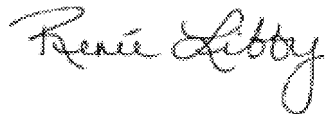

R 400.8330(24)(c) Food services and nutrition generally.	Toddler room staff did not sit with children during lunch.	The Program Director will ensure that toddler staff sit with children during mealtimes. Appropriately sized chairs will be provided for staff to use during meals. Staff will sit with their primary caregiving groups during meals and snacks.	Immediately and ongoing
R 400.8340(3) Food services and nutrition; provided by parents.	Three bottles of milk/beverages for two children were not labeled with the child's first and last name and the date.	The Program Director will ensure that when staff transfer children's bottles to the refrigerator, they check for name and date labels. If the label is missing, or incomplete, staff will add the children's names and the date to the bottle before putting it into the fridge.	Immediately and ongoing
R 400.8530(10) Hazard Areas.	The heat plant room on the second floor contained combustible items such as audio/visual equipment, a computer monitor, cardboard boxes, and plastic totes and storage containers.	The Program Director (PD) will ensure that the church removes all combustible items from the heat plant room. The PD will check the heat plant room every Monday morning to make sure no items have been placed inside.	By 02/03/2023 and ongoing every Monday

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (231) 922-5309.
