RE: License #: DC280393424
Kingsley Children's Center
2912 W M-113
Kingsley, MI 49649

Dear Jenasie Schopieray:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 04/13/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

At the time of this onsite inspection, there were 15 children and 2 caregivers in the preschool room. I observed children just waking up from nap/rest time, outdoor play, circle time, hand washing and snack. There were 4 children and 1 caregiver in the infant and toddler room. I observed free play, hand washing, snack, and diapering. Child care staff members interacted with the children in a caring and developmentally appropriate manner, and the needs of children were met promptly. There were no safety concerns.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
