RE: License #: DC280406787
Pitter Patter Preschool and Child Care, Fawns
107 S Brownson Ave
Kingsley, MI 49649

Dear Ms. Stark:

This letter is to advise you that the 07/07/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Confirming Letter, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8161(2)(h)	During the inspection, I found a child with asthma, a child with an allergy to amoxicillin, a child with an allergy to adhesive bandages, and a child allergic to peanuts having no written plan identifying how they would be accommodated during each type of emergency.	The licensee designee reported that the missing individual emergency plans for children with chronic medical conditions were completed by parents and they are onsite at the center. To maintain compliance, Leslie Steenhagen will review child records upon enrollment to identify children with chronic medical conditions to ensure plans are completed. Ms. Steenhagen will review these plans every three months.	07/07/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
