RE: License #: DC290404965
Alma College Child Development Center
270 Purdy Drive
Alma, MI 48801

Dear Ms. Boulis:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 05/05/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

When I arrived on-site, program director Ms. Dora Lee Omans was present; along with child care staff members Ms. Robin Town and Ms. Heather DeVore. There were sixteen children in attendance. The children were engaged in eating their lunch. As they finished their lunch, some of the children went with a staff member down to the bathroom, while other children got their nap/resting cot ready. Prior to turning the lights off and playing soft music, Ms. DeVore told the story of Little Red Riding Hood. The child care staff members had a good rapport with one another, as well as, with the child care children. The children appeared happy and comfortable within the care of the caregivers. They were familiar with the routine and expectations. Overall, the center provided a developmentally appropriate environment and atmosphere.

As a result of the inspection, I did not find any rule or law violations.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our website under Statewide Search for Licensed Child Care Centers and Homes. A description of when inspection letters are completed can be found under Overview of Licensing Reports.
