Dear Mr. Faupel:

This letter is to advise you that the 03/02/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8110 Applicant; licensee; licensee designee; requirements.	Child care staff members Abigail Talaski, Emily Rieman, and Chase Howard, admitted to vaping in the bathroom of the child care facility and the parking lot of the facility.	All staff have been individually talked to and informed of smoking/vaping policy. All staff found guilty of vaping in school/daycare have been written up. A separate smoking/vaping policy sheet has been made and staff have read and sign it. All new employees will be required to read and sign as well. "This is a tobacco free campus" signs will be hung at all entrances.	02/28/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
