Dear Ms. Falkenberg:

This letter is to advise you that the 05/09/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

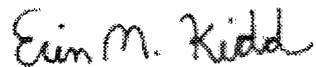

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8143 Children's records	At the time of the onsite inspection, the child information cards were lacking admission dates.	Snack menus will be planned and provided to parents a week in advance. (this includes changes and substitutions). They may be printed and/or via Remind/FB.	5/9/203
R 400.8330 Food services and nutrition generally	At the time of the onsite inspection, the facility did not have menus planned in advance, dated and posted for parents regarding daily snacks.	For year school (and all that have come in thus far) admission dates will be added to forms.	5/9/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
