### Findings of the Inspection

A copy of this renewal inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when renewal inspection reports are completed can be found under [Overview of Licensing Reports](#).

The renewal inspection involved a review of all applicable child care center [administrative rules](#) and [statutes](#). Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center’s records, including staff records and children’s records. Staff records include background checks and training information. Children’s records include child information cards, physical examination dates, and immunizations.

During the renewal inspection, licensing consultant Erin Kidd found 2 violations. The violations are listed and explained below. An acceptable written corrective action plan was received on 4/1/2024. A regular license will be issued.

If you have any questions regarding the report, please contact licensing consultant, Erin Kidd, at (810) 931-1786. In the event that Erin Kidd is not available, and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.
