RE: License #: DC320292585
USA Early Child Care Center
2203 Wildner Rd
Sebewaing, MI 48759

Dear Mrs. Ruth:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 05/21/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations.

As a result of the inspection, I did not find any rule or law violations.

- At the time of the onsite inspection, I observed a gap between the cement pad and the ground on the playground, creating a tripping hazard. Mrs. Ruth reported that the child care children often dig in the dirt on the playground. I advised Mrs. Ruth that the gap between the cement pad and the ground needed to be filled in to prevent a tripping hazard. The gap was filled in during the onsite inspection.

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
