Dear Mrs. Ruth:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 05/18/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

The violations that were found are:

R 400.8152 Medication; administrative procedures.

(4) Prescription medication must have the pharmacy label indicating the physician's name, child's first and last name, instructions, name and strength of the medication, and must be given according to those instructions.

At the time of the onsite inspection, I observed one epi-pen stored without the pharmacy label indicating the physician's name, child's first and last name, instructions, name and strength of the medication.

On 05/18/2023, you gave us an acceptable written corrective action plan.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	1
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
