Dear Nicole Osantowski,

This letter is to advise you that the 4/10/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8380(4)	At the time of the onsite inspection, the floor in the preschool classroom had a large crack in the laminate flooring.	I will have that fixed by the landlord with epoxy.	5/10/2024
R 400.8380(5)	At the time of the onsite inspection, the toddler and preschool classrooms had chipping paint on the walls that needed to be addressed.	I will be repainting the walls with the chipped paint.	4/17/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
