Dear Ms. Dhyse:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 01/20/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

There were no rule violations.

As a result of the inspection, I did not find any rule or law violations.

- On January 20, 2022, I provided technical assistance to Ms. Dhyse, licensee designee regarding diapering in the three year old classroom. I provided technical assistance to Ms. Dhyse regarding a star shaped swaddle sack in the infant classroom for a five month old infant. The item was not in use at the time of the onsite inspection. After two months of age swaddle sacks are not allowed.

During calendar year 2021:	Total

Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
