Ubly, MI, 48475

License Number: DC320394378

Dear Joseph Candela,

This letter is to advise you that the 3/20/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8143(1)	At the time of the onsite inspection, school age children who are sibling were sharing observed sharing emergency cards. Each child requires their own emergency card.	All children will have their own emergency card and their own file. Moving forward I will oversee the files being correct before school begins and all staff will be aware of the policy.	03/20/2024
R 400.8131(3)	At the time of the onsite inspection, one child staff member was lacking training in prevention of shaken baby syndrome, abusive head trauma, child maltreatment, and recognition and reporting of child abuse and neglect before caring for child care children.	All staff will have the correct training for the prevention of shaken baby syndrome, abusive head trauma, child maltreatment, and recognition and reporting of child abuse and neglect before caring for child care children. Moving forward	03/15/24

		I will assure all staff has the correct training.	
R 400.8131(4)	At the time of the onsite inspection, one child care staff member was lacking training in prevention and control of infectious diseases training, including immunizations.	All staff will have the correct training for training in prevention and control of infectious diseases training, including immunizations before being in the classroom with students. Moving forward I will assure all staff will have the correct training before school starts.	03/15/24
R 400.8131(5)(a)	At the time of the onsite inspection, one child care staff member was lacking training in administration of medication.	All staff will have the correct training in administration of medication. Moving forward I will assure all staff will have the correct training before school starts.	03/15/24
R 400.8131(5)(b)	At the time of the onsite inspection, one child care staff member was lacking training in prevention of and response to emergencies due to food and allergic reactions.	All staff will have the correct training in prevention of and response to emergencies due to food and allergic reactions. Moving forward I will assure all staff has the correct training before being in the classroom with students.	03/15/24
R 400.8131(5)(c)	At the time of the onsite inspection, one child care staff member was lacking training in building and physical premises safety.	I will make sure all staff has training in building and physical premises safety. I will assure all staff has the correct training before being in the classroom with students.	03/20/24
R 400.8131(5)(d)	At the time of the onsite inspection, one child care staff member was lacking	Staff will have the correct training in emergency	03/20/2024

	training in emergency preparedness and response planning.	preparedness and response planning. Moving forward I will assure all staff will have the correct training before being in the classroom.	
R 400.8131(5)(e)	At the time of the onsite inspection, one child care staff member was lacking training in handling and storage of hazardous materials and appropriate disposal of bio contaminants.	All staff will have the correct training in handling and storage of hazardous materials and appropriate disposal of bio contaminants. Moving forward I will assure all staff will have the correct training before being in the classroom.	3/20/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact Erin Kidd at (810) 931-1786 or kidde@michigan.gov. In the event that Erin Kidd is not available, and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.

Sincerely,

Erin Kidd, Licensing Consultant
