Dear Ms. Sengstock

This letter is to advise you that the 03/01/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8131 Professional Development	At the time of the onsite inspection, Mya Klemmer, Whitney Hoppe, Jenna Barnes and Nick Eisinger, child care staff members, were lacking training on prevention of shaken baby syndrome, abusive head trauma and child maltreatment, and recognition and reporting of child abuse and neglect.	From today forward all training will be done before first day of classroom work.	02/25/2022

R 400.8143 Children's records	At the time of the onsite inspection, three of ten children's files reviewed were lacking a certificate of immunization showing a minimum of 1 dose of each immunizing agent specified by the department of health and human services (DHHS).	Immunizations will be on file at enrollment.	02/25/2022
R 400.8320 Food preparation	During the onsite inspection, I observed Teri Johnson, child care staff member, serve a banana with bare hands.	Follow up with room in question directly and send out message to all staff.	02/28/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
