Dear Ms. Sengstock:

This letter is to advise you that the 08/08/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8125 Staff, volunteer requirements	On August 3, 2022, Child A (female, age 3) was left unattended in the Prepper Classroom.	The day the incident happened all the staff that were in the building were reminded about using Name to Face.	08/03/2022
		We will be training all the staff on using the name to face button in our Bright Wheel App, we will be going around to each class, over the next two days and having them sign off, that they have received and understand the new steps, when leaving and returning to their classrooms.	08/10/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
