Dear Ms. Speers:

This letter is to advise you that the 03/28/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.8179(8)(c)	During tummy time, the CCSM's allowed the children to be placed on or near soft surfaces such as a bobby pillow or thin blanket. This has since been corrected.	All bobby pillows have been thrown away. The center will no longer purchase them or supply them in the infant room. The center will ensure that tummy time happens on the floor or on the staff's lap when needed.	This has been completed.

Sincerely,
