Dear Ms. Pohl:

This letter is to advise you that the 02/24/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8131(3)	One child care staff member in the infant room was not trained on prevention of shaken baby syndrome, abusive head trauma and child maltreatment, and recognition and reporting of child abuse and neglect before caring for children.	The child care staff member will complete the training on prevention of shaken baby syndrome, abusive head trauma and child maltreatment, and recognition and reporting of child abuse and neglect immediately. The program director will require documentation of training completion. All new hires will complete this training before starting to work in any of the classrooms. This will be	03/03/2023

		monitored by the program director.	
R 400.8131(4)	One child care staff member in the infant classroom did not complete prevention and control of infectious disease training, including immunizations before unsupervised contact with children.	The child care staff member will complete prevention and control of infectious disease training, including immunizations immediately. The program director will require documentation of training completion. All new hires will complete this training before starting to work in any of the classrooms. This will be monitored by the program director.	03/03/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available, and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.

Sincerely,
