Dear Ms. Pohl:

This letter is to advise you that the 07/06/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed

		<p>system once they receive the eligibility notice.</p> <ul style="list-style-type: none"> <li>• immediately disconnect an individual if they are found ineligible in the CCBC system and they will not be associated with the child care license.</li> <li>• understand that the department may seek disciplinary action against the child care license in the form of a revocation and/or summary suspension with revocation if they continue to allow an individual found ineligible to be associated with the child care license.</li> <li>• understand that if they fail to complete this corrective action plan, the department will begin the process of revoking their child care license.</li> </ul>

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
