Dear Ms. Tobia,

This letter is to advise you that the 4/16/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8385	There was sunscreen and bug spray within the reach of children.	Elisabeth Holberg moved all sunscreen and bug spray so it is out of reach of children on 4/16/24, and will regularly check to ensure all poisonous or toxic materials are kept out of reach of children.	4/16/24

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
