Dear Ms. Curtis:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 05/14/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations. During the onsite inspection, I observed four classrooms. Each classroom was engaged in various activities. These activities included lunch, resting, outdoor play, and free play. All children were actively engaged, and the caregivers provided appropriate care and supervision.

<b>During calendar year 2020:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
Number of deaths that occurred in the facility.	<b>0</b>
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	<b>0</b>

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-388-7134.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.
