Dear Ms.Purkiss,

This letter is to advise you that the 5/2/2024 corrective action plan you submitted, regarding each rule violation cited in the recently completed Inspection, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8325(1)	The 3-step process for cleaning tables was not used before meals and snacks.	We will use soapy water, rinse, then apply sanitizing solution and let it sit for 2 minutes. We will do this before and after meals and snacks. The program director will monitor this weekly.	04/11/2024

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
