RE: License #: DC330021449
St Luke Little Lambs Preschool

Dear Ms. Purkiss:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 05/09/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

During the onsite inspection I observed small group, large group, free choice, snack time, music, toileting, and hand washing. Interactions between child care staff members and children were positive and developmentally appropriate. All the classrooms are equipped with an adequate amount of age-appropriate play and learning equipment. The center uses a theme-based curriculum. Each week is a different theme with projects, crafts, experiences, and books to go with it. Technical assistance was given on the 3-step process for cleaning tables.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our website under Statewide Search for Licensed Child Care Centers and Homes. A description of when inspection letters are completed can be found under Overview of Licensing Reports.
