A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care Center.

As a result of the inspection, Karen Woodman found 0 violations.

During the onsite inspection I observed small group time, hand washing, gym, and free choice time. Interactions between child care staff members and children were positive and developmentally appropriate. There was an adequate amount of age-appropriate play and learning equipment in the classrooms.
