Dear Ms. Marble:

This letter is to advise you that the 04/15/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8125(1)	A child was bitten by another child in care on at least 14 occasions from 07/29/2021 through 01/27/2022. Appropriate care and supervision was not provided to the child by allowing him to continue to be bitten while in care.	You stated that child care staff members will provide appropriate care and supervision by ensuring that all children in care are safe. Children will not be allowed to continually bite others. You also provided information regarding biting to all infant and toddler staff.	02/07/2022

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (517) 284-9730.
