RE: License #: DC330288706
Scribbles & Giggles Learning Center

Dear Ms. Lazarus:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 04/06/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

During the on-site inspection I observed infant feeding(s), transition to naptime, and naptime. I observed the calm and soothing atmosphere which included low lights, calming instrumental music, and caregivers on the floor soothing children. I observed positive, nurturing, and encouraging interactions.

I reviewed the following rules with Ms. Lazarus:

R 400.8340: Food services and nutrition. I discussed with Ms. Lazarus that same day beverage containers furnished by the parent must be labeled with first and last name and the date and sent home each day.

R 400.8525: Exits. I discussed with Ms. Lazarus that all means of egress shall be maintained in an unobstructed, easily traveled condition. Means of egress are used in daily travel and an emergency and must be easily travelled for exiting in all situations.

During calendar year 2022:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0

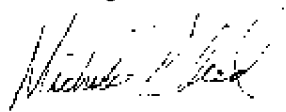

Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
