Dear Ms. Alighire:

This letter is to advise you that the 08/05/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Renewal Licensing Study Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8380(1); Maintenance of premises.	The deck surrounding the building has slats that are loose and have a hazard of coming up. This concern has been known since December 13, 2021, special investigation in which it was a violation.	Ms. Alighire stated the deck will be reinspected and corrected by a KinderCare facilities technician. The center director and/or assistant director will do quarterly inspections of the building/grounds and work orders will be requested as needed to ensure the cleanliness and safety of the building.	In process and ongoing
R 400.8380(4); Maintenance of premises.	There were classrooms with water stains and/or holes on the ceiling tiles. There are exposed seams	All items listed in the violation have been requested to be fixed through pending work orders. The center director and/or	In process and ongoing

	in the carpet in the common area of the center. The environmental health inspection report dated 02/07/2020 and 07/14/2020 states there are exposed seams in the carpet in the common area and this should be properly repaired or replaced. In a classroom there was trim which was disconnected and/or missing.	assistant director will do quarterly inspections of the building/grounds and work orders will be requested as needed to ensure the cleanliness and safety of the building.	
R 400.8380(5); Maintenance of premises.	There was flaking paint on the classroom walls.	There is a pending work order to fix the flaking pain on the classroom walls. The center director and/or assistant director will do quarterly inspections of the building/grounds and work orders will be requested as needed to ensure the cleanliness and safety of the building.	In process and ongoing

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.
