**License Number: DC330294579**

Dear Ms. Wills:

This letter is to advise you that the 10/10/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Child Care Case Complaint, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8170(3)	The infants in the Infant 1 classroom have not been outside in a year. The Infant 2, Toddler 1, and Toddler 2 classrooms have not been taking infants/toddlers outside consistently or for long periods of time. The center does not currently have an outdoor play area for infants and toddlers.	Infants and Toddlers go outside every day, twice a day for at least one hour. The infant/toddler playground is now complete.	07/03/2023 and ongoing
R 400.8380(1)	The deck surrounding the building has slats that are loose and have a hazard of coming up. This concern has been known since December 13, 2021, special investigation in which it was a violation. The pavers on the exits from the classroom doors to the outdoor play area on the lower	The deck has been repaired to reflect licensing standards. The pavers on the exits from the classroom doors and the strip that is not filled with dirt will be completed by January 14, 2024, and the roll of winter fencing and metal stakes on the outdoor play area were	07/03/2023 and 01/14/2024

	level have pavers that are not level and a strip that is not filled in with dirt. This poses a safety hazard for trips/falls. There was a role of winter fencing and metal stakes on the outdoor play area accessible to children in care.	removed. The outdoor play area will be viewed quarterly, and maintenance requests will be placed as needed.	
R 400.8380(4)	There are exposed seams in the carpet in the common area of the center. The environmental health inspection report dated 02/07/2020 and 07/14/2020 states there are exposed seams in the carpet in the common area and this should be properly repaired or replaced.	The carpet in the main lobby has been replaced. The indoor space will be assessed quarterly, and maintenance requests will be submitted as needed.	07/03/2023

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact Michelle Gleed at (517) 599-7404 or [gleedm@michigan.gov](mailto:gleedm@michigan.gov). In the event that Michelle Gleed is not available and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.

Sincerely,

Michelle Gleed, Licensing Consultant
