Findings of the Inspection

A copy of this Interim inspection report and any associated corrective action plans is available on the Child Care Licensing Bureau [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when interim inspection reports are completed can be found under [Overview of Licensing Reports](#).

The purpose of the Interim inspection was to determine compliance with applicable licensing statutes and administrative rules for child care centers.

As a result of the inspection, there were no rule violations.

During the onsite inspection I observed snack, small groups, free choice, toileting, hand washing, large group, lunch, and outside time. Interactions between child care staff members and children were positive and developmentally appropriate. All of the classrooms were equipped with age appropriate play and learning materials. The center uses two different religious curriculums, Heggerty curriculum for reading, and theme based activities.

If you have any questions regarding the report, please contact licensing consultant, Karen Woodman, at 517-285-9301. In the event that Karen Woodman is not available, and you need to speak to someone immediately, please contact the Child Care Licensing Bureau at 517-284-9730.
