Dear Ms. Barry:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 05/30/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

The violations that were found are:

(9) A center shall maintain a record as to the time and the amount of medication given or applied, with the exception of medications described in subrule (8) of this rule, on a form provided by the department or a comparable substitute approved by the department. One form per medication is required. The signature of the child care staff member administering the medication must be included.
