Dear Ms. Smith:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 03/07/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations. During the onsite inspection I observed small group, outside time, toileting, hand washing, large group, snack, and diapering. Interactions between child care staff members and children were positive and developmentally appropriate.

<b>During calendar year 2022:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
