Dear Mrs. Jennings:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 05/31/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations. During the onsite inspection I observed outside time, gym, free choice and departure. Child care staff members were engaged with children and interactions were developmentally appropriate.

| During calendar year 2021: | Total |
|---|--------------|
| Number of serious injuries that occurred in facility. | 0 |
| Number of deaths that occurred in the facility. | 0 |
| Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility. | 0 |

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
