RE: License #: DC340317160
Building Blocks V
830 Harrison Street
Ionia, MI 48846

Dear Ms. Boulis:

This letter is to advise you that the 03/17/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Interim Inspection Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

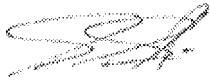

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8176(18) Sleeping equipment.	I observed children napping on cots that were spaced less than 18 inches apart in the Ionia 1 & 4 classrooms.	The Ionia 1 & 4 classrooms were reminded that cots need to be placed 18 inches apart. Ionia 1 moved a block shelf and measured to ensure there is now 18 inches available for spacing of the cots. The Education Coordinator will conduct ongoing monitoring of cot placement to ensure compliance.	3/16/2022 (ongoing)

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (616) 356-0183.

Sincerely,
