RE: License #: DC340317160
Building Blocks V
830 Harrison Street
Ionia, MI 48846

Dear Ms. Boulis:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 03/14/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

The violations that were found are:

R 400.8176	Sleeping equipment.
	(18) All occupied cribs, porta-cribs, cots, and mats must be placed in such a manner that there is a free and direct means of egress and must be spaced as follows: (b) Cots and mats must be at least 18 inches apart.
I observed children napping on cots that were spaced less than 18 inches apart in the Ionia I and IV classrooms.	

Due to the violations, you must send us a corrective action plan by 4/5/2022. You can use our [corrective action plan](#) form or create your own.

If you need help writing the corrective action plan, please contact me. If you do not send a corrective action plan, you may face disciplinary action. The corrective action plan must include the following:

- How compliance with each rule will be achieved.
- Who is directly responsible for implementing the corrective action for each violation.
- Specific time frames for each violation as to when the correction will be completed or implemented.
- How continuing compliance will be maintained once compliance is achieved.
- The signature of the responsible party and a date.

Upon receipt of an acceptable corrective action plan, there will be no change to your license status.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at (616) 356-0183.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Sincerely,

Sean Shankin, Licensing Consultant
