Dear Ms. Martin:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 04/27/2021. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations. Consultation was provided with regards to offering consistent encouragement to young children two years old and up to properly wear their masks. As well as, making sure all copies of the child information cards are updated if they have multiple copies of child information cards at the center.

During calendar year 2020:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).
