Dear Mr. McCormick:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 03/22/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517.284.9730.

Per MCL 722.113g, this report and any related corrective action plans must be filed in your Licensing Notebook.

Observations

At the time of the inspection, Room 109 had just finished eating breakfast. They transitioned into a large group story time followed by a small group art project.

Room 103 was engaged in developmentally appropriate gross motor play in the gym.

Sincerely,

A handwritten signature in cursive script that reads "Wendy S. Highland".
