Dear Ms. Verleger:

This letter is to advise you that the 08/24/2023 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.8125 (1)	Appropriate care and supervision were not provided when Child A, unnoticed by staff, went into the gymnasium while the children were transitioning to the classroom. Staff took the other children to the classroom and left Child A behind in the gymnasium by himself.	Staff will be at front and end of line during transitions. Child care staff will count before leaving the room at various points along the way. A staff will hold any children's hand that tend to wander from the group.	7/22/23

It is expected that the corrective action plan will be implemented within the time frames as outlined in your plan.

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (989) 732-8062.

Sincerely,
