Mount Pleasant, MI 48858

Dear Ms. Verleger:

This letter is a follow-up to the Department's findings regarding the interim inspection conducted at your center on 05/24/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

The violations that were found are:

R 400.8131 Professional development requirements.

(3) Before caring for children, all child care staff members and unsupervised volunteers who work directly with children shall be trained on prevention of shaken baby syndrome, abusive head trauma and child maltreatment, and recognition and reporting of child abuse and neglect.

1 child care staff member did not have the health and safety course 1 or 2 completed prior to caring for children. This includes training in prevention of shaken baby syndrome, abusive head trauma and child maltreatment and reporting of child abuse and neglect

R 400.8131

Professional development requirements.

(4) Before unsupervised contact with children, all child care staff members who work directly with children shall complete prevention and control of infectious disease training, including immunizations.

1 child care staff member did not have the health and safety course 1 or 2 completed prior to caring for children. This includes prevention and control of infectious disease training including immunizations.

R 400.8131

Professional development requirements.

(5) Within 90 days of being hired, or the first day as an unsupervised volunteer, all child care staff members and unsupervised volunteers who work directly with children shall complete the following trainings, which may count toward annual professional development hours and are available at MiRegistry:

- (a) Administration of medication.**
- (b) Prevention of and response to emergencies due to food and allergic reactions.**
- (c) Building and physical premises safety.**
- (d) Emergency preparedness and response planning.**
- (e) Handling and storage of hazardous materials and appropriate disposal of bio-contaminants.**
- (f) Precautions in transporting children, if applicable.**
- (g) Child development.**

1 child care staff member did not have the health and safety course 1 or 2 completed prior to caring for children. This includes training on the 7 other required topic areas.

On 5/24/2022, you gave us an acceptable written corrective action plan.
