III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care center administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center's records, including staff records and children's records. Staff records include background checks and training information. Children's records include child information cards, physical examination dates, and immunizations.

During the inspection, the center was found to be in compliance with all applicable rules and statutes except for the following violations:

R 400.8131

Professional development requirements.

(10) All child care staff members who work directly with children are required to be trained in first aid and pediatric, child, and adult cardiopulmonary resuscitation (CPR) within 90 days of being hired. Prior to issuing a license to operate a child care center, and prior to the renewal of a license, the department shall verify that at least 50% of the child care staff members who work directly with children are currently certified in first aid and pediatric, child, and adult CPR. Each of these child care staff member's first aid and CPR certificates must be valid and retained on file in the center.

2 child care staff members did not have documented training in CPR/First Aid.

R 400.8131

Professional development requirements.

(3) Before caring for children, all child care staff members and unsupervised volunteers who work directly with children shall be trained on prevention of shaken baby syndrome, abusive head trauma and child maltreatment, and recognition and reporting of child abuse and neglect.

1 child care staff member did not complete Health and Safety Course 2 which includes prevention of shaken baby syndrome, abusive head trauma and child maltreatment, and recognition and reporting of child abuse and neglect.

R 400.8131

Professional development requirements.

(5) Within 90 days of being hired, or the first day as an unsupervised volunteer, all child care staff members and unsupervised volunteers who work directly with children shall complete the following trainings, which may count toward annual professional development hours and are available at MiRegistry:

- (a) Administration of medication.**
- (b) Prevention of and response to emergencies due to food and allergic reactions.**
- (c) Building and physical premises safety.**
- (d) Emergency preparedness and response planning.**
- (e) Handling and storage of hazardous materials and appropriate disposal of bio-contaminants.**
- (f) Precautions in transporting children, if applicable.**
- (g) Child development.**

1 child care staff member did not complete Health and Safety Course 2 which includes building and physical premises safety, emergency preparedness and response planning, and handling and storage of hazardous materials and appropriate disposal of bio contaminants.

R 400.8161

Emergency procedures.

(5) A fire drill program, consisting of at least 1 fire drill quarterly, must be established and implemented.

This site had only one documented fire drill in 2021 and one documented fire drill in 2022

R 400.8161

Emergency procedures.

(6) A tornado drill program, consisting of at least 2 tornado drills between the months of March through November, must be established and implemented.

This site had no documented tornado drills for 2021 or 2022

A corrective action plan was requested and approved on 05/10/2023. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care center program.
