III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care center administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center’s records, including staff records and children’s records. Staff records include background checks and training information. Children’s records include child information cards, physical examination dates, and immunizations.

During the inspection, the center was found to be in compliance with all applicable rules and statutes except for the following violations:

R 400.8131 Professional development requirements.

(11) Verification of all professional development required by this rule must be kept on file at the center or online at MiRegistry. Verification must be issued from the training organization or trainer and include the date of the course, the name of the training organization or trainer, the topic covered, and the number of clock hours. Training hours from MiRegistry also meet this rule.

Documentation of 16 hours of staff training was not present for all staff for 2020 or 2021.

REPEAT VIOLATION:

Licensing Study Report - 2/27/2020

Corrective Action Plan - 2/25/2020

R 400.8131 Professional development requirements.

(12) When the department of licensing and regulatory affairs or the department of education publishes a notice that a new health and safety update document or a new health and safety update training activity has been published on MiRegistry, the licensee shall ensure that all personnel read and acknowledge the document or complete the activity within 6 month of the notice.

Numerous Child Care Staff members did not complete 2021 Health and Safety Refresher training on MiRegistry.org

R 400.8131 Professional development requirements.

(4) Before unsupervised contact with children, all child care staff members who work directly with children shall complete prevention and control of infectious disease training, including immunizations.

1 child care staff member did not have Health and Safety Course 2 complete

R 400.8143 Children's records.

(6) Within 30 days of a child's initial attendance, a center shall obtain, keep on file, and make accessible in the center a record of a physical evaluation of the child that notes any restrictions and is signed by a physician or the physician's designee. An electronic record from a physician's office will be accepted. The physical evaluation must be performed within 1 of the following time limits:

(c) For preschoolers, within the preceding 12 months.

2 out of 20 records reviewed did not have a completed health appraisal.

R 400.8510 Plans and specifications; submission; approval; inspections.

(3) A fire safety inspection shall be conducted by the bureau of fire services or a department-approved qualified fire inspector, and an approval granted, before issuance of the original license and every 4 years thereafter, at the time of renewal.

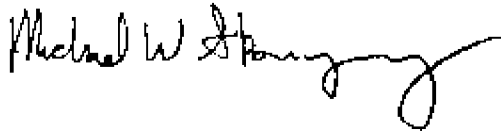

A fire inspection was not completed prior to renewal. The most inspection recent was completed on 3/5/2018

Consultation was provided in the following areas:

- Staff and child file management
- Staff training

IV. RECOMMENDATION

Upon receipt of an A rated fire inspection completed by a qualified fire inspector, I recommend issuance of a regular license to this child care center.
