III. DESCRIPTION OF FINDINGS & CONCLUSIONS

This renewal inspection involved a review of all applicable child care center administrative rules and statutes. Verification of compliance included direct observations of the physical environment and the program, discussions with staff, and a review of the center’s records, including staff records and children’s records. Staff records include background checks and training information. Children’s records include child information cards, physical examination dates, and immunizations.

During the inspection, the center was found to be in compliance with all applicable rules and statutes except for the following violations:

R 400.8131 Professional development requirements.

(3) Before caring for children, all child care staff members and unsupervised volunteers who work directly with children shall be trained on prevention of shaken baby syndrome, abusive head trauma and child maltreatment, and recognition and reporting of child abuse and neglect.

1 child care staff members did not complete training in prevention of shaken baby syndrome, abusive head trauma and child maltreatment, and recognition and reporting of child abuse and neglect prior to caring for children

R 400.8131 Professional development requirements.

(4) Before unsupervised contact with children, all child care staff members who work directly with children shall complete prevention and control of infectious disease training, including immunizations.

1 child care staff member did not complete prevention and control of infectious disease training, including immunizations prior to caring for children.

R 400.8131 Professional development requirements.

(5) Within 90 days of being hired, or the first day as an unsupervised volunteer, all child care staff members and unsupervised volunteers who work directly with children shall complete the following trainings, which may count toward annual professional development hours and are available at MiRegistry:

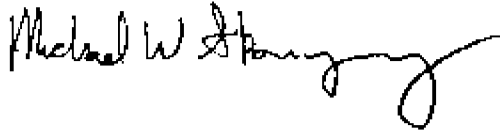

- (a) Administration of medication.**
- (b) Prevention of and response to emergencies due to food and allergic reactions.**
- (c) Building and physical premises safety.**
- (d) Emergency preparedness and response planning.**
- (e) Handling and storage of hazardous materials and appropriate disposal of bio-contaminants.**
- (f) Precautions in transporting children, if applicable.**
- (g) Child development.**

1 child care staff member did not complete the other 7 required health and safety modules.

A corrective action plan was requested and approved on 04/21/2023. It is expected that the corrective action plan be implemented within the specified time frames as outlined in the approved plan. A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

IV. RECOMMENDATION

I recommend issuance of a regular license to this child care center.
