RE: License #: DC380317671
Tinkey's Tots

Dear Ms Sharlow:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 09/27/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

During the on-site inspection, I observed the children engaged in quiet time activities. The center is located inside an active school building. The children bring their own meals. Any snacks that are center provided are pre-packaged and ready to feed. The center does not provide transportation or swimming.

I provided a rule review regarding the use of the MIRegistry website for training documentation. The center staff completed the required Health and Safety trainings Part 1 and Part 2 internally. All refresher courses are completed through MIRegistry. I discussed with Ms. Sharlow ways to document internal trainings.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0

You can find a copy of this inspection letter and any associated corrective action plans on our website under Statewide Search for Licensed Child Care Centers and Homes. A description of when inspection letters are completed can be found under Overview of Licensing Reports.
