Dear Ms Hoszkiw:

This letter is to advise you that the 04/25/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R 400.8155 Child accidents and incidents; child and staff illness.	On 12/10/2022 Child B received a full mouth bite from another child while at the child care center. Child care staff member Jacyn Rockey completed an injury report on 12/10/2022, however nobody informed Child A and B's Mother of the injury at pick up time.	Child care staff members will complete an injury report at time of injury. The child care staff members will contact the director by walkie talkie to view and sign the injury report. The lead teacher will share the injury report with the parent on the day the injury occurs. If a serious medical injury occurs, the child will be taken to the hospital immediately by ambulance and the staff member will contact the parents or a designated emergency contact if the parent cannot be reached.	1/18/2022

Sincerely,

*Stacy Wables*
