The fenced in playground is located behind the center. The equipment was inspected in October 2010. No additions have been made since the inspection. There are no water hazards or other visible hazards on the playground.

The center will provide care to infants and children through age 12 and will operate Monday through Friday, 6:00am to 6:00pm.

The center will accept part-time and full-time enrollments.

The center does not provide transportation or swimming, but will now offer food service.

I recommend adding food service to this center's programming and changing the ages served for classrooms 1,3,4 and 5.
