Dear Ms. Mentink:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 07/25/2022. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations. During my onsite inspection I observed free play and small group time. Interactions between child care staff members and child care children were positive. Technical assistance was provided in regards to maintenance of premises.

During calendar year 2021:	Total
Number of serious injuries that occurred in facility.	0
Number of deaths that occurred in the facility.	0
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	0
