Dear Ms. Hunt:

This letter is a follow-up to the Department’s findings regarding the interim inspection conducted at your center on 06/06/2023. The purpose of this inspection was to determine compliance with applicable licensing statutes and administrative rules for Child Care Centers.

As a result of the inspection, I did not find any rule or law violations.

The center provides the children with both structured and freedom of choice learning. During the on-site inspection, I observed the classroom. I observed the children engaged in outdoor play time.

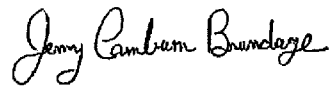

<b>During calendar year 2022:</b>	<b>Total</b>
Number of serious injuries that occurred in facility.	<b>0</b>
Number of deaths that occurred in the facility.	<b>0</b>
Number of substantiated cases of abuse and/or neglect of a child that occurred at the facility.	<b>0</b>

You can find a copy of this inspection letter and any associated corrective action plans on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of when inspection letters are completed can be found under [Overview of Licensing Reports](#).

Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, please contact the local office at 517-262-9717.
