Dear Ms. Mentink:

This letter is to advise you that the 05/02/2022 corrective action plan you submitted, regarding each rule violation cited in the recently completed Special Investigation Report, is approved.

You can find a copy of this corrective action approval letter and the associated report on our [website](#) under [Statewide Search for Licensed Child Care Centers and Homes](#). A description of each type of report and corrective action plans can be found under [Overview of Licensing Reports](#).

Violation cited	Noncompliance observed	Plan to correct	Date to be completed
R400.8125(1)	The child care staff members did not provide appropriate supervision of Child B as he needs one on one supervision and has been able to bite several children without child care staff being able to prevent it.	Child care staff members will shadow future biters. Teething rings will also be provided to deter biting. If a child has more than three biting incidents they will be moved to half days. If the biting continues they will be disenrolled.	Ongoing

A follow-up evaluation may be made to verify compliance. Should the corrections not be implemented in the specified time, it may be necessary to reevaluate the status of your license.

The office provides technical assistance to meet the licensing requirements and consultation to improve services. Please contact me with any questions. In the event that I am not available and you need to speak to someone immediately, you may contact the local office at (313) 456-0380.

Sincerely,
